

**BOYS & GIRLS CLUBS
OF MONTEREY COUNTY**

COVID-19

IMPACT REPORT

Boys & Girls Clubs of Monterey County remain committed to providing vital support to our community during these uncertain times. Thanks to your support we were able to quickly respond to meet essential needs for our community, including nutritional services, virtual programming, literacy intervention, and community telehealth counseling services.

*All impact numbers are from March 16, 2020 to June 19, 2020.
