

2020 CHARITY DRAWING IMPACT REPORT

A look at the impact from July 16 –September 13, 2020 made possible by the Pebble Beach Concours d'Elegance Charity Drawing. With thanks to Pebble Beach Concours d'Elegance, Pebble Beach Company, and Lexus.

BY THE NUMBERS

- **OVER 2,000** Monterey County youth and families were provided with resources and support
- **800 YOUTH** participated in the Club's new virtual program platform, Virtually BGCMC
- **612 OUTREACH KITS** were provided to youth through distribution sites across Monterey County
- **14 TEENS & ALUMNI** held a paid internship through the Club or with a partnering organization

"When I started at the Club this Summer, I was nervous about spelling. Boys & Girls Club staff encouraged me to keep trying and practicing. I really liked Read Naturally and I especially liked to read about exotic animals and silly competitions. I even started to create my very own comic book this Summer and submitted my artwork to the Marti Mulford art exhibit for next year!"

- Salome R. 3rd Grade

NUTRITION SUPPORT

- **19,384 NUTRITIOUS MEALS AND SNACKS SERVED** to youth attending the Salinas and Seaside Clubhouse, as well as five low-income housing communities in Marina, Seaside, and Soledad.
- **5,600 FRESH PRODUCE BOXES TOTALING 8,400 POUNDS WERE DISTRIBUTED** as a Farmers to Families USDA Food Box Partner, BGCMC provides 400-600 fresh produce boxes weekly to underserved families. Produce boxes contents include: 2lb bags of chopped romaine lettuce, 3 bags of apple slices, russet potatoes, onions, 2 lb bag of stone fruit

peaches/plums, and 1lb bag of tomatoes. There are 15 distribution locations throughout Monterey County.

BACK TO SCHOOL

- Following all guidelines we'll be able to serve up to 150 youth daily in our Clubhouses
- 50 staff completed a total of 1,200 hours of safety protocol training to ensure that our Clubs operate in the safest way possible.
- The full day on-site Clubhouse program (7:30am-4:00pm) assists students while they attend classes during distance learning by providing academic support, enrichment opportunities, breakfast, lunch, and snacks. We continue to offer College & Career Readiness programming to middle and high school students. Read Naturally supports youth that are reading below grade level.

GREAT FUTURES START HERE.
