2022 SUMMER REGISTRATION

K-2nd grade members

will follow a different science theme each week to learn about different branches of science. Each activity will have a project that helps youth learn and understand more about that branch of science.

3rd-5th grade members

will learn about the science of animation & create their own stop motion animations in small groups.

6th-8th grade members

will learn the ins and outs of being an influencer on social media. They will learn how to create digital content and create a brand on social media. The end of the summer project will be digital content created for Virtually BGCMC.

9th-12th graders

may participate in the Junior Staff leadership development program. In addition, teens will serve as assistant youth leaders in addition to other community-service learning opportunities.

Members will participate in field trips as deemed safe throughout the Summer.

HEALTHY MEALS INCLUDED

Each day, a nutritious breakfast and lunch are prepared by our outstanding Nutrition Team. We take great pride in preparing healthy meals. Snack is provided between 3:30pm-4:30pm for youth who stay for the afternoon program.

CLUB DOLLARS & CLUB STORE

All participants are eligible to earn Club Dollars by participating in Summer Fun activities. Bonus Club Dollars may be earned by being selected as a "Student of the Day" for outstanding behavior and participation.
